Junagadh Road, Jetpur - 360370
Dist. Rajkot

To whom it may concern

It is here by certifying that the school referred above is Ground + 3 Structure. Building is RCC Frame structure. We had visited the school on 23rd March, 2021 and carry out the in depth visual observation. Further it is certify that the building is design for the loads given in relevant IS and NBC. Building is structurally safe, sound and stable for the education (School purpose). We recommend reviewing the structure stability and safety of building at every two years.

Thanking you,

Manish V. Doshi
